Mr. Charles L. A. Terreni
Chief Clerk/Administrator
Public Service Commission of South Carolina
Columbia, South Carolina 29211

Dear Mr. Terreni:

Attached for filing with the Commission are the following tariff pages with an effective date of February 18, 2008:

General Subscriber Service Tariff

The purpose of this filing is to restructure the manner in which AT&T South Carolina offers services that support the Customer Account Record Exchange (CARE) process to inter-exchange carriers. As a result of this filing, interexchange carriers can order a tariffed Default CARE offering free of charge.

Alternatively, interexchange carriers can order various enhanced intrastate CARE-related offerings from AT&T South Carolina by way of unregulated contract offerings. This is consistent with the manner in which these enhanced CARE-related services are offered at the federal level and with the manner in which these services have been offered at the intrastate level in most of the states in which AT&T operates as a local exchange carrier.

Mr. Charles L. A. Terreni

Interexchange carriers have been provided advanced notice of the changes implemented by this tariff filing. Additionally, AT&T South Carolina has reviewed this tariff filing with the Office of Regulatory Staff ("ORS"), and the ORS has stated no objection to this tariff filing.

Yours very truly,

Cindy Cox by nml w/permission
Vice President
